Re: Patent No. 5,598,947

Maintenance fee

OFFICE OF PETITIONS

Dear Mr. Smith:

Enclosed is copy of letter addressed to Patent Office Commissioner Nicholas P. Godici regarding this question of paying a maintenance on time. Which I did on Feb 5, 2005

The problem is that the Patent Office shows the payment received on Feb 14, 2005 which does not take into account that the payment was deposited to the mail on Feb 5, 2005 as previously discussed in letter to Patent Commissioner Godici dated July 19, 2004 and as allowed in Patent Office Proceedings re. Deposit to US mail same as receipt at the PTO

Both the letter to the Commissioner, that requested notice if not correct, and a reference to mail deposit as receipt (enclosed herewith)

The Patent Office is treating this as "a late payment" it is not, the payment was timely.

I will fax this letter to the proper person of concern at the Patent Office this morning and if you will please fax a copy to your liaison person perhaps this will resolve the problem. At the Patent Office, to Commissioner Godici include July 19, 2003 letter to him

And to, Mr. Irvin Dingle

OFFICE OF PETITIONS

Dear Commissioner Godici:

I went to LA Airport Post Office and purchased postal money orders for \$1,000 - \$110. \$1,110 for maintenance fee as required, and mailed same at 10:45 pm February 5, 2005

Enclosed is copy of letter to you dated July 19, 2004 describing my intention to do this and requesting that I be informed if this was not acceptable. No notice-objection received

Also enclosed is copy of Chapter 2, Proceedings in the PTO Sec #21 "Filing date and day for taking action re. deposited with US Postal Service" same as receipt at the PTO

Also enclosed are copies of the two money orders, and the post office money order sheets showing #07977426221 and #07977426232 and signature of Post Office Supervisor that confirms this as the two purchased by me at 10:45 pm February 5, 2005 (see Potter letter)

Also enclosed is copy of letter to Postmaster Potter letter, that describes the tracing of the money orders, when informed the PTO showed maintenance fee received, Feb 14, 2005

I believed, based on my letter to you describing my intention to do just this described and the described mail deposit provision, and my having deposited PTO items to mail before, that I had complied with payment of the maintenance fee, and in timely manner required.

Admittedly I have been pre-occupied with a recently diagnosed lung disease problem, but based on the letter to you and my depositing postal money orders to the mail as described in the letter that requested "notice if not correct", that I was in compliance and on time.

Sincerely,

Patrick Smith

Re: Patent No. 5,598,947

date of patent, Feb 4, 1997

Dear Commissioner Godici:

With regard to maintenance fees, my patent comes up for 7.5 years fee August 5, 2004

I am told that I can defer payment of the fee for 6 months, by paying a late payment of \$65.00 within 6 months, February 5, 2005

My concern is whether or not that is correct.

If not correct, would someone please inform me, or if correct would someone inform me, I would greatly appreciate it.

Sincerely,

Patrick Smith

Re: Jacqueline Shoemake, Supervisor
L.A. Airport Post Office, 90009

Dear Postmaster General Potter:

I am writing with regard to the excellent customer service I received concerning my problem of having lost confirmation of mailing US Patent Office fee on the deadline.

Without any evidence of having mailed the required maintenance fee on time. I was subject to having the patent on a Microwave Vending machine going 'abandoned' I had lost the certified mail green card and could now very well lose the U.S. Patent.

Ms. Shoemake went thru back records until she found the clerk's record of payment. \$1,110.00 February 5, 2005 approximately 10:45 pm Exactly the time I told her. She then gave me the forms to complete that would retrieve a copy of the green card showing receipt by the Patent Office and the time of mailing and thereby compliance. This very gracious and very competent lady is certainly a tribute to the postal service.

I cannot adequately express my gratitude for such professional service. I compliment you on the operation of the U.S. Postal Service. The American public is well served.

Most respectfully,

Patrick Smith
